The purpose of the **1st resolution** is to approve the Pernod Ricard Parent Company financial statements for FY21.

The purpose of the **2nd resolution** is to approve the Pernod Ricard consolidated financial statements for FY21.

FOURTH TO SEVENTH RESOLUTIONS

Composition of the Board: renewals and appointment of Directors

Information regarding the Directors for whom renewal of the term of office or appointment is proposed, appears in Section 2 "Corporate governance" of the universal registration document.

The directorship of Ms Anne Lange expires at the close of this Shareholders' Meeting. It is thus proposed that, by voting on the **4th resolution**, you renew her directorship for a term of four years expiring at the close of the Shareholders' Meeting to be held in 2025 to approve the financial statements for the previous financial year.

The directorship of Société Paul Ricard SA, represented by Mr Paul-Charles Ricard, expires at the close of this Shareholders' Meeting. It is thus proposed that, by voting on the **5th resolution**, you renew his directorship for a term of four years expiring at the close of the Shareholders' Meeting to be held in 2025 to approve the financial statements for the previous financial year.

The directorship of Ms Veronica Vargas expires at the close of this Shareholders' Meeting. It is thus proposed that, by voting on the **6th resolution**, you renew her directorship for a term of four years expiring at the close of the Shareholders' Meeting to be held in 2025 to approve the financial statements for the previous financial year.

Finally, it is proposed that, by voting on the **7th resolution**, you appoint as Director Ms Namita Shah for a term of four years expiring at the close of the Shareholders' Meeting to be held in 2025 to approve the financial statements for the previous financial year.

The Nominations and Governance Committee and the Board of Directors reviewed the candidate. In particular, they appreciated Ms Namita Shah's high level international career in CSR, legal and managerial functions, as well as her recent appointment to the Executive Committee of a CAC 40 company. Following a review, they also confirmed that Ms Namita Shah fulfilled the AFEP-MEDEF independence criteria adopted by the Company.

Thus, at the close of the Shareholders' Meeting, the Board of Directors would comprise 14 members (including two Directors representing the employees), including seven Independent Directors (58.3%) and six women (50%), in accordance with the recommendations of the AFEP-MEDEF Code and the law.

EIGHTH RESOLUTION

The purpose of the **8th resolution** is to submit for your approval the fixed and variable components of the total compensation and benefits of any kind paid or granted during FY21 to Mr Alexandre Ricard, Chairman & CEO.

All these elements are described in detail in Section 2 “Corporate governance” of the FY21 universal registration document, second and third subsection.

— TWELFTH RESOLUTION

Share buybacks

The Shareholders’ Meeting of 27 November 2020 allowed the Board of Directors to trade in the Company’s shares. The transactions carried out in accordance with this authorisation are described in Section 2 “Corporate governance” of the FY21 universal registration document. This authorisation is due to expire on 26 May 2022. It is thus proposed, in the **12th resolution**, that you renew the authorisation for the Board of Directors to trade in the Company’s shares for a period of 18 months at a **maximum purchase price of €280 per share**, excluding acquisition costs.

This authorisation would enable the Board of Directors to purchase Company shares representing **a maximum of 10% of the Company’s share capital**, primarily with a view to:

- allocating or transferring them to employees and Executive Directors of the Company and/or Group companies (including the allocation of stock options and bonus and/or performance shares) or in connection with covering the Company’s commitments under financial contracts or options with cash settlement granted to the employees and Executive Directors of the Company and/or Group companies;
- using them for external growth transactions (up to a maximum of 5% of the number of shares comprising the Company’s share capital);
- delivering shares upon the exercise of rights attached to securities granting access to the share capital;
- cancelling them; and
- stabilising the share price through liquidity agreements.

These transactions would be carried out during periods considered appropriate by the Board of Directors. However, during a public offering, buybacks would only be carried out provided that they:

- enable the Company to comply with its prior commitments undertaken before the launch of the public offering; and
- are undertaken to pursue a share buyback programme that was already in progress; and
- cannot cause the offer to fail; and
- fall within the scope of one of the following objectives: allocation to the beneficiaries of stock options and bonus and/or performance shares; or to cover its commitments pursuant to financial contracts or options with cash payments; or the free allocation of shares to employees and/or Executive Directors of the Company and/or companies that are or will be related thereto.

— THIRTEENTH RESOLUTION

Approval of the regulated agreements

It is proposed that, by voting on the **13th resolution**, you approve the regulated agreements concluded or still in force during FY21, as described in the Statutory Auditors’ special report (see Section 7 “Pernod Ricard SA Parent Company Financial Statements” of the universal registration document). These relate mainly to agreements concluded in the context of financing transactions between the Company and companies of affiliates with which it has Directors or Executives in common.

Resolutions presented at the Extraordinary Shareholders' Meeting

We propose that you renew all the authorisations and delegations of authority granted respectively to the Board of Directors by the Shareholders' Meetings of 8 November 2019 and 27 November 2020, which are due to expire on 7 January 2022, on 26 May 2022, on 7 January 2023 or on 26 January 2023.

*The delegations of authority submitted to the vote in **resolutions 14 to 22** would, if approved, cancel, from the date of the present Shareholders' Meeting, any previous delegations approved and having the same purpose.*

If adopted, said resolutions would enable the Board of Directors to immediately take the most appropriate measures, notably regarding the financing of investments in external growth operations.

No delegation of authority allowing a share capital increase with or without a Preferential Subscription Right may be used during a public offer for the shares of the Company.

FOURTEENTH RESOLUTION

Reduction of the share capital by cancelling treasury shares

One of the aims of the share buyback programme (12th resolution) is the cancellation of the purchased shares. For this purpose, we ask that, by voting in favour of the **14th resolution**, you authorise the Board of Directors **to cancel all or some of the Company shares purchased through a share buyback programme**, for up to 10% of the shares comprising the Company's share capital per 24-month period.

This authorisation would be granted for a period of **26 months** as from the date of the Shareholder's Meeting.

FIFTEENTH RESOLUTION

Delegations of authority to issue ordinary shares and/or securities granting access to the Company's share capital with maintenance of the Preferential Subscription Right

In order to pursue its growth strategy and to have means in line with the Group's development, your Board of Directors puts forward resolutions with the purpose of granting the Board of Directors delegations of authority allowing it to issue securities in compliance with the current regulations.

The **15th resolution** covers the issue, **with maintenance of your Preferential Subscription Right**, of your Company's shares and/or of securities granting access to the share capital. In the event of the issue of securities giving future access to the share capital – e.g. Bonds with share warrants attached, convertible Bonds or detachable warrants – your decision would waive the right of the shareholders to subscribe shares which can be obtained from securities initially issued and for which your Preferential Subscription Right is maintained.

The maximum nominal amount of the share capital increases likely to be conducted by virtue of this delegation would be set at **€134 million**, i.e. approximately **33%** of the share capital (the "Overall Limit").

It also forms the maximum **Overall Limit** from which **the share issues determined by virtue of the 16th** (issue of securities with cancellation of the Preferential Subscription Right), **17th** (increase in the number of securities issued), **18th** (capital increase through a private placement), **19th** (remuneration of contributions in kind), **20th** (public exchange offer initiated by the Company), **21st** (capitalisation of reserves), **24th** (capital increase reserved for employees) and **25th** (share capital increase reserved for certain categories beneficiaries) **resolutions** would be deducted.

The overall nominal amount of securities representing debts (granting access to the capital) on the Company which can be issued by virtue of this authorisation, would be limited to **€12 billion**, it being specified that the nominal amount of securities representing debts to be issued in accordance with the **16th resolution** would be deducted from this overall nominal amount of securities representing debts.

This authorisation would be valid for a period of **26 months** from the date of this Shareholders' Meeting.

The Board of Directors may not take the decision to use this delegation of authority as from the date at which a third party files a takeover bid for the shares of the Company unless it obtains prior authorisation from the Shareholders' Meeting; this restriction shall remain in effect until the end of the offer period.

SIXTEENTH RESOLUTION

Delegations of authority to issue ordinary shares and/or securities granting access to the Company's share capital with cancellation of the Preferential Subscription Right in the context of an offer to the public at large other than those referred to in 1° of Article L. 411-2 of the French Monetary and Financial Code

Enabling your Board of Directors to carry out capital increases without a Preferential Subscription Right would allow the Board to place securities under the best possible conditions, in particular when speed is an essential condition for their success or when issues are carried out on French and foreign markets, notably through an offer to the public at large.

Your Board of Directors requests that, by voting on the **16th resolution**, you delegate your authority so as to allow the issue of shares and/or securities granting access to the share capital, with cancellation of the shareholders' Preferential Subscription Right, up to a maximum amount of **€41 million**, i.e. approximately **10%** of the share capital, it being specified that this maximum amount **would be deducted from the Overall Limit set by the 15th resolution**.

This amount of €41 million is common to the 17th (increase in the number of securities issued), **18th** (capital increase through a private placement), **19th** (remuneration of contributions in kind), **20th** (public exchange offer initiated by the Company), **24th** (capital increase reserved for employees) and **25th** (capital increase reserved for certain categories of beneficiaries) **resolutions** and **would be deducted from the Overall Limit of €134 million** set by the **15th resolution**.

The maximum nominal amount of securities representing debts (granting subsequent access to the share capital) on the Company that can be issued by virtue of this authorisation would be limited to **€4 billion** and **would be deducted from the €12 billion overall nominal amount** set by the **15th resolution**.

This authorisation would be valid for a period of **26 months** from the date of this Shareholders' Meeting.

The Board of Directors may not take the decision to use this delegation of authority as from the date at which a third party files a takeover bid for the shares of the Company unless it obtains prior authorisation from the Shareholders' Meeting; this restriction shall remain in effect until the end of the offer period.

— SEVENTEENTH RESOLUTION

Increase in the number of shares to be issued in the event of a capital increase with or without a Preferential Subscription Right

By voting on the **17th resolution** we request that you delegate the authority of the Shareholders' Meeting to the Board of Directors to decide, as allowed by law, if it records a surplus demand during a share capital increase with or without a Preferential Subscription Right, **to increase the number of shares to be issued** at the same price as the one chosen for the initial issue, within the time periods and limits prescribed by law and regulations.

This option enables the Board, as part of a share issue, to carry out, within 30 days after the subscription period ends, an additional share issue of **a maximum of 15% of the initial issue** (this is called the "overallocation option"), subject to the limit set in the resolution by virtue of which the increase is decided (**15th, 16th or 18th resolution**) as well as to the **Overall Limit** set in the **15th resolution**.

This authorisation would be valid for a period of **26 months** from the date of this Shareholders' Meeting.

The Board of Directors may not take the decision to use this delegation of authority as from the date at which a third party files a takeover bid for the shares of the Company unless it obtains prior authorisation from the Shareholders' Meeting; this restriction shall remain in effect until the end of the offer period.

— EIGHTEENTH RESOLUTION

Delegation of authority to increase the share capital through a private placement in favour of qualified investors or a restricted circle of investors with cancellation of the Preferential Subscription Right

Enabling your Board of Directors to carry out capital increases without a Preferential Subscription Right would allow the Board to place securities under the best possible conditions, in particular when speed is an essential condition for their success.

By voting on the **18th resolution** we request that you delegate the authority of the Shareholders' Meeting to the Board of Directors in order to issue by private placement in favour of qualified investors or a restricted circle of investors ordinary shares and/or equity securities granting access to other equity securities or conferring entitlement to receive allocations of debt securities and/or securities granting access to equity securities to be issued.

This delegation of authority would enable your Board of Directors to increase the share capital up to a **maximum nominal amount of €41 million** (approximately 10% of the share capital), it being specified that this amount would **be deducted from the maximum amount of €41 million** set in the **16th resolution** as well as from the **Overall Limit of €134 million** set in the **15th resolution**.

This delegation of authority would enable your Board of Directors to issue Bonds or other debt securities granting access to equity securities to be issued up to an **amount of €4 billion**, it being specified that this amount would **be deducted from the maximum nominal amount of €4 billion** set in the **16th resolution** as well as from the **overall nominal amount of €12 billion** set in the **15th resolution**.

This authorisation would be valid for a period of **26 months** from the date of this Shareholders' Meeting.

The Board of Directors may not take the decision to use this delegation of authority as from the date at which a third party files a takeover bid for the shares of the Company unless it obtains prior authorisation from the Shareholders' Meeting; this restriction shall remain in effect until the end of the offer period.

— NINETEENTH RESOLUTION

Delegation of authority to increase the share capital by way of remunerating contributions in kind subject to the limit of 10% of the share capital

By voting on the **19th resolution**, we request that you authorise the Board of Directors to issue shares and/or securities, with a view to remunerating contributions in kind granted to the Company, in particular contributions in kind of shares, enabling the acquisition of company shares to be remunerated through the issue of shares.

This option, which would be offered to the Board of Directors for **26 months** from this Shareholders' Meeting, would be limited to **10% of the Company's share capital**, it being specified that this limit **would be deducted from the maximum share capital increase** set in the **16th resolution** as well as from the **Overall Limit** set in the **15th resolution**.

The Board of Directors may not take the decision to use this delegation of authority as from the date at which a third party files a takeover bid for the shares of the Company unless it obtains prior authorisation from the Shareholders' Meeting; this restriction shall remain in effect until the end of the offer period.

— TWENTIETH RESOLUTION

Delegation of authority to increase the share in the event of a public exchange offer initiated by the Company

In the same way, by voting on the **20th resolution**, we request that you authorise the Board of Directors to issue shares and/or securities, with a view to carrying out a public exchange offer or a similar transaction on securities of another company.

This option would be offered to the Board of Directors for **26 months** from the date of this Shareholders' Meeting and would be limited to **10% of the Company's share capital at the time of the issue**, it being specified that this limit **would be deducted from the maximum share capital increase** set in the **16th resolution**, as well as the **Overall Limit** set in the **15th resolution**.

The Board of Directors may not take the decision to use this delegation of authority as from the date at which a third party files a takeover bid for the shares of the Company unless it obtains prior authorisation from the Shareholders' Meeting; this restriction shall remain in effect until the end of the offer period.

— TWENTY-FIRST RESOLUTION

Delegation of authority to increase the share by the capitalisation of premiums, reserves and profits

We request that, by voting on the **21st resolution**, you authorise the Board of Directors to increase the share capital by the capitalisation of premiums, reserves, profits or other items. As this transaction does not necessarily involve the issue of new shares, this delegation of authority must be voted on by the Extraordinary Shareholders' Meeting under the conditions of quorum and majority of the Ordinary Shareholders' Meetings.

This delegation of authority would enable your Board of Directors to increase the share capital up to a **maximum nominal amount of €134 million (approximately 33% of the share capital) to be deducted from the Overall Limit** set in the **15th resolution**.

This authorisation would be valid for a period of **26 months** from the date of this Shareholders' Meeting.

The Board of Directors may not take the decision to use this delegation of authority as from the date at which a third party files a takeover bid for the shares of the Company unless it obtains prior authorisation from the Shareholders' Meeting; this restriction shall remain in effect until the end of the offer period.

The purpose of the 22nd and 23rd resolutions is to renew the authorisations to grant performance shares to employees and Executive Directors of the Company and Group Companies, subject to performance conditions, and to grant free shares to employees.

— TWENTY-SECOND AND TWENTY-THIRD RESOLUTIONS

Resolutions relating to the LTIP, with and without performance condition

The purpose of the **22nd and 23rd resolutions** is to authorise the Board of Directors to grant shares free of charge to employees and Executive Directors of the Company and Group companies, in order to motivate and retain Group employees through a dynamic long-term incentive policy.

The Board of Directors has decided to align with the market practice of the majority of CAC40 companies by eliminating the allocation of stock options and introducing a criterion based on social responsibility in line with its roadmap in this area.

The Board of Directors, on the recommendation of the Compensation Committee, has decided on the following conditions for the long-term incentive policy for the Group's employees and Executive Directors of the Company:

- the continuation of the performance-based shares allocation plan, the conditions of which would be in accordance with the recommendations of the French AFEP-MEDEF Code, as set out in the **22nd resolution**. However, no more stock options would be granted; and
- the possibility of allocating shares free of charge without any performance condition (i) on the occasion of recruitment as part of our policy of attracting new talents, but also (ii) to reward certain employees while giving them an interest in the Company's share performance. This new possibility is the subject of the **23rd resolution**.

Under the 22nd resolution, the final allocation of all performance-based shares would be subject to presence and performance conditions.

The shares to be allocated on the basis of this **22nd resolution** would be subject to the following performance conditions:

- an internal performance condition linked to the average achievement of the annual targets for Group Profit from Recurring Operations (PRO): the shares would be definitively allocated if the average achievement of the annual targets for Group profit from recurring operations over three consecutive financial years is greater than 95% of the annual targets for Group profit from recurring operations budgeted for those financial years. The final number of shares allocated is determined by applying percentage between 0 and 100, using linear progression; and
- an internal performance condition related to Corporate Social Responsibility (CSR) based on 4 sub-criteria:
 - Carbon: Implementation of the roadmap to reduce direct CO2 emissions generated by our sites in order to reach Net Zero ambition by 2030;
 - Water: Implementation of the roadmap with the ambition to reduce water consumption in our distilleries by 20% by 2030;
 - Responsible consumption: Pernod Ricard's strategic brands will launch marketing campaigns focusing on responsible drinking, with a goal of increasing each year over the next 5 years;
 - Employees: Target to achieve gender balance in our Top Management (at least 40% of each gender) by 2030.

The Board of Directors would determine, at the time of each allocation, the numerical targets to be achieved for each of these 4 criteria.

The number of shares that would vest based on the CSR performance condition would be determined as follows:

- if none of the 4 targets is reached: no shares will be acquired;
- if one target is reached: 25% of the shares will vest;
- if two targets are reached: 50% of the shares will vest;
- if three targets are reached: 75% of shares will vest;
- if four targets are reached: 100% of the shares will vest.

It is specified that for the determination of the final number of shares allocated, the internal PRO and CSR performance conditions would be assessed over a period of three consecutive financial years (including the one during which the shares were allocated).

- an external performance condition linked to the overall performance of the Pernod Ricard share (TSR: total shareholder return) over a period of three years, compared to the overall performance of a panel of 12 peers comprising the following companies: AB InBev, Brown Forman, Campari, Carlsberg, Coca-Cola, Constellation Brands, Danone, Diageo, Heineken, LVMH, PepsiCo and Rémi Cointreau (hereafter the "Panel"):
 - below the median, no shares will be acquired;
 - if equal to the median (7th position), 66% of the shares will vest;
 - if in 6th, 5th, 4th position, 83% of the shares will vest; and
 - if in 3rd, 2nd or 1st position, 100% of the shares will vest.

Thus, for the Company's Executive Directors and members of the Executive Committee, the weighting of each of the three performance criteria would be as follows: 50% of the allocations would be subject to the internal PRO performance condition, 20% would be subject to the internal CSR performance condition and 30% would be subject to the external TSR performance condition. For the other beneficiaries, the weighting would be as follows: 80% of the allocations would be subject to the internal PRO performance condition and 20% would be subject to the internal CSR performance condition.

The Board of Directors has decided to align the performance conditions of the Company's Executive Directors and the members of the Executive Committee combining internal and external conditions and by also including a corporate responsibility criterion, taking into account the importance of the Group's roadmap in this area. For other beneficiaries, it also appeared important to introduce a corporate responsibility criterion in addition to the PRO criterion to which they were previously subject.

The vesting period for the shares would be of at least three years.

This authorisation would be valid for a period of 38 months from the date of the Shareholders Meeting. During this period, it would permit the allocation of performance-based shares representing a maximum of 1.5% of the Company's share capital at the date of the Board of Directors' decision to allocate such shares. Moreover, the number of performance-based shares allocated to the Company's Executive Directors shall not exceed 0.08% of the Company's share capital at the date of the Board of Directors' decision to allocate such shares, which amount would be deducted from the aforementioned ceiling of 1.5% of the Company's share capital. This sub-ceiling has been slightly increased compared to the last authorisation of the Shareholders Meeting to take into account the fact that stock options will no longer be allocated to Executive Directors.

Under the 23rd resolution, the definitive allocation of shares free of charge would be subject to a presence condition but without any performance condition. The Board of Directors wished to have a tool for rewarding, and retaining the Group's talents while at the same time making them interested in the Company's share performance, but also for attracting new talents, thus aligning with market practices in order to remain competitive. Consequently, these allocations would be made: (i) on the occasion of recruitment as part of our policy to attract new talents but also (ii) to reward and retain certain employees.

The Company's Executive Directors would not benefit from any allocation within the framework of this authorisation. The members of the Company's Executive Committee would also be excluded from the benefit of any allocation within the framework of this authorisation, except on the occasion of their recruitment in accordance with our policy of attracting new talents.

The vesting period for the shares would be of at least three years.

This authorisation by the Shareholders Meeting would be valid for a period of **38 months** from the date of the Shareholders Meeting. During this period, it could give rise to the allocation of shares free of charge representing a maximum of 0.5% of the Company's share capital at the date of the Board of Directors' decision to allocate such shares.

The 24th and 25th resolutions propose delegations of authority granted to the Board of Directors by the Shareholders' Meeting in order to allow the Board of Directors to set up an employee shareholding plan in France and abroad.

Such a shareholding plan could be set up in particular to facilitate access to the Company's share capital for a large number of the Group's employees and to align their interests with those of shareholders.

More precisely, the 24th resolution allows capital increases reserved for employees and/or Executive Directors who are members of a company savings plan within the Group. The purpose of the 25th resolution is to allow employees and corporate officers in certain countries outside of France to subscribe to Company shares with similar benefits in terms of economic profile to those offered to employees in the 24th resolution, in particular, when local legal and/or tax constraints make the implementation of the employee shareholding plan in the context of the 24th resolution impossible or difficult.

It is stated that these delegations of authority allow share capital increases and that they could not be used during a public offering for Company shares.

— TWENTY-FOURTH RESOLUTION

Delegation of authority to increase the share capital through the issue of shares or securities granting access to the share capital, with cancellation of Preferential Subscription Right, reserved for members of a company saving plan

By voting on the 24th resolution, you delegate authority to the Board of Directors to decide on share capital increases reserved for employees and/or corporate officers who are members of an employee savings plan in place within Pernod Ricard. It is specified that the capital increase is limited to a **maximum nominal amount of 2% of the share capital** at the close of this Shareholders' Meeting.

This limit is the same as the limit for the 25th resolution below, with the reminder that it is deducted from the Overall Limit and the maximum amount of any capital increase set respectively in the 15th and 16th resolutions of this Shareholders' Meeting.

The issue price for the new shares or securities granting access to the share capital may not be more than 20% below the average of the listed closing prices of Pernod Ricard shares on the regulated Euronext Paris market during the 20 trading sessions prior to the date of the decision setting the opening date for the subscription period, nor may the issue price exceed this average.

This delegation of authority is granted for **26 months** from the date of today's Shareholders' Meeting.

The Board of Directors may not make the decision to use this delegation of authority as from the date on which a third party files a takeover bid for the Company shares unless it obtains prior authorisation from the Shareholders' Meeting; this restriction shall remain in effect until the end of the offer period.

— TWENTY-FIFTH RESOLUTION

Delegation of authority to decide on a share capital increase through the issue of shares or securities granting access to the share capital, with cancellation of Preferential Subscription Right, reserved for certain categories of beneficiaries

By voting on the **25th resolution**, we request that, in accordance with the provisions of the French Commercial Code, you delegate authority to the Board of Directors to decide on a capital increase of a **maximum nominal amount corresponding to 2% of the share capital** at the close of this Shareholders' Meeting, by way of an issue of shares or securities granting access to the share capital, reserved for a certain category (or certain categories) of beneficiaries with cancellation of Preferential Subscription Right, in favour of such beneficiaries.

The 2% limit of the share capital of this resolution is common with the limit of the 24th resolution above, with the reminder that it is deducted from the Overall Limit and the maximum amount of any capital increase set respectively in the 15th and 16th resolutions of this Shareholders' Meeting.

The **25th resolution** seeks to adapt the conditions of the employee shareholding plan set in the 24th resolution to the local legal and/or tax constraints to allow employees and/or corporate officers in certain countries outside France to subscribe to shares of the Company with similar benefits, in terms of economic profile, to those given to employees under the 24th resolution.

The share capital increase may be reserved for (i) certain categories of employees and/or corporate officers, (ii) UCITS or other employee shareholding entities whose unitholders or shareholders are persons described in (i), or (iii) any entity or banking institution with the exclusive purpose of subscribing to Company shares or any other financial instrument in order to facilitate access to the capital of the Company for employees and/or corporate officers outside France or to similar investment formulas.

The issue price of new shares or securities granting access to the Company's capital will be set by the Board of Directors and (a) may not be more than 20% below the average of the listed closing prices of the Pernod Ricard share recorded on the regulated Paris market over the 20 trading sessions preceding the date of the decision setting the opening date of the subscription period under this resolution, nor exceed such average or (b) will be equal to the price set for the shares issued as part of the capital increase reserved for members of company savings plans pursuant to the **24th resolution** of this Shareholders' Meeting.

This delegation of authority is granted for **18 months** from the date of today's Shareholders' Meeting.

The Board of Directors may not make the decision to use this delegation of authority as from the date on which a third party files a takeover bid for the shares of the Company unless it obtains prior authorisation from the Shareholders' Meeting; this restriction shall remain in effect until the end of the offer period.

— TWENTY-SIXTH RESOLUTION

By the vote of the **26th resolution**, we ask you to modify the provisions of the Bylaws referring to the articles of the French Commercial Code in order to bring them in line with the new legal and regulatory provisions of Ordinance No. 2020-1142 of 16 September 2020 and Decree No. 2020-1742 of 29 December 2020 and to renumber these articles.

TWELFTH RESOLUTION

Authorisation to be granted to the Board of Directors to trade in Company shares

Having reviewed the report of the Board of Directors, the Shareholders' Meeting, deliberating in accordance with the quorum and majority requirements for Ordinary Shareholders' Meetings, authorises the Board of Directors, with the option for it to delegate these powers in turn, in accordance with the provisions of articles L. 22-10-62 *et seq.* of the French Commercial Code and of Regulation No. 596/2014 of the European Parliament and of the Council of 16 April 2014, to purchase Company shares in order to:

- (i) allocate shares or transfer them to employees and/or Company Executive Directors and/or its current or future affiliates under the terms and conditions provided for by law, in particular by granting stock options or as part of employee profit-sharing plans; or
- (ii) cover its commitments pursuant to financial contracts or options with cash settlement in relation to movements in the stock market price of the Company's shares, granted to employees and/or Executive Directors of the Company and/or its current or future affiliates under the terms and conditions provided for by law; or
- (iii) make free allocations of shares to employees and/or Company Executive Directors and/or its current or future affiliates pursuant to articles L.225-197-1 and L. 22-10-59 *et seq.* of the French Commercial Code, it being specified that the shares may be allocated, in particular, to an employee savings plan in accordance with the provisions of article L. 3332-14 of the French Employment Code; or
- (iv) retain them and subsequently tender them (in exchange, as payment or otherwise) in connection with external growth transactions, subject to a 5% limit of the number of shares comprising the share capital; or
- (v) deliver shares upon the exercise of rights attached to securities granting access to the share capital through reimbursement, conversion, exchange, presentation of a warrant or in any other manner; or
- (vi) cancel all or some of the shares repurchased in this manner, under the conditions provided for in article L.22-10-62 paragraph 4 of the French Commercial Code, and pursuant to the authorisation to reduce the share capital granted by this Combined Shareholders' Meeting in its 14th resolution; or

- (vii) allow an investment services provider to act on the secondary market or to ensure the liquidity of the Company's shares by means of liquidity agreements in compliance with the terms of a Code of Conduct approved by the French Financial Markets Authority (AMF).

This programme is also intended to enable the Company to trade in the Company's shares for any other authorised purpose or any purpose that might come to be authorised by law or regulations in force.

The number of Company shares purchased may be such that:

- the Company does not purchase more than 10% of the shares comprising the Company's share capital at any time during the term of the share buyback programme; this percentage applies to the share capital adjusted in accordance with capital transactions carried out after this Shareholders' Meeting; in accordance with the provisions of article L. 22-10-62 of the French Commercial Code, when shares are repurchased to favour the liquidity of the share under the conditions set out by the applicable regulations, the number of shares taken into account for calculating the 10% cap is equal to the number of shares purchased, less the number of shares sold during the authorisation period; and
- the number of shares held by the Company at any time does not exceed 10% of the number of shares comprising its share capital.

These shares may be purchased, sold, transferred, delivered or exchanged, on one or more occasions, by any means authorised or that may come to be authorised by the regulations in force. These means include, in particular, over-the-counter transactions, sales of blocks of shares, sale and repurchase agreements and the use of any financial derivatives, traded on a regulated market or over-the-counter, or setting up option strategies (purchases and sales of puts and calls and any combinations thereof in compliance with the applicable regulations). Transactions involving blocks of shares may account for the entire share buyback programme.

These transactions may be carried out during periods considered appropriate by the Board of Directors. However, during a public offering period, buybacks may only be carried out if they:

- enable the Company to comply with its prior commitments undertaken before the launch of the public offering; and
- are undertaken in connection with the pursuit of a share buyback programme that was already in progress; and
- fall within the scope of the objectives referred to in items (i) to (iii) above; and
- cannot cause the offer to fail.

The Shareholders' Meeting decides that the maximum purchase price per share shall be €280, excluding acquisition costs.

Under article R.225-151 of the French Commercial Code, the Shareholders' Meeting sets the total maximum amount allocated to the share buyback programme authorised above at €7,332,543,680 corresponding to a maximum number of 26,187,656 shares purchased at the maximum unit price of €280 as authorised above.

The Shareholders' Meeting delegates authority to the Board of Directors, with the option for it to delegate these powers in turn under the conditions provided for by law, in the event of transactions on the Company's share capital, and in particular a change in the par value of the share, a share capital increase *via* the capitalisation of reserves, a granting of bonus shares, stock split or reverse stock split, to adjust the above-mentioned maximum purchase price in order to take account of the impact of such transactions on the share value.

The Board of Directors may also carry out, in accordance with applicable legal and regulatory provisions, the reassignment to another objective of shares previously bought back (including under a previous authorisation) and their sale (on- or off-market).

The Shareholders' Meeting grants the Board of Directors full powers, with the option for it to delegate these powers in turn under the conditions provided for by law, to decide and implement this authorisation, to specify, if necessary, its terms and decide on its conditions with the option to delegate implementation of the share buyback programme, under the conditions provided for by law, and in particular to place all stock exchange orders, enter into any agreements, with a view to keeping registers of share purchases and sales, make all declarations notably to the French Financial Markets Authority (AMF) and to any other official body which may take its place, complete all formalities and, in general, do whatever may be necessary.

This authorisation will be valid for a period of 18 months from the date of this Shareholders' Meeting and cancels, as from this same date, for any unused portion, the authorisation granted to the Board of Directors by the Combined Shareholders' Meeting of 27 November 2020 in its 15th resolution to trade in the Company's shares.

The purpose of the 13th resolution is to approve the "regulated" agreements previously approved by Pernod Ricard's Board of Directors.

THIRTEENTH RESOLUTION

Approval of the regulated agreements referred to in articles L. 225-38 et seq. of the French Commercial Code

Having reviewed the special report of the Statutory Auditors on the regulated agreements referred to in articles L. 225-38 et seq. of the French Commercial Code, the Shareholders' Meeting, deliberating in accordance with the quorum and majority requirements for Ordinary Shareholders' Meeting, takes note of the conclusions of said report and approves the agreements referred to therein, it being specified that no new agreements were signed in FY21.

Resolutions presented at the Extraordinary Shareholders' Meeting

We propose that you renew all the authorisations and delegations of authority respectively granted to the Board of Directors by the Shareholders' Meetings of 8 November 2019 and 27 November 2020, which are due to expire on 7 January 2022, on 26 May 2022, on 7 January 2023 or on 26 January 2023.

The delegations of authority submitted to the vote in resolutions 14 to 22 would, if approved, cancel, from the date of the present Shareholders' Meeting, any previous delegations approved and having the same purpose.

If adopted, said resolutions would enable the Board of Directors to immediately take the most appropriate measures, notably regarding the financing of investments in external growth operations.

No delegation of authority allowing a share capital increase with or without a Preferential Subscription Right may be used during a public offer for the shares of the Company.

FOURTEENTH RESOLUTION

Authorisation to be granted to the Board of Directors for the purpose of reducing the share capital by cancelling treasury shares, subject to the limit of 10% of the share capital

Having reviewed the report of the Board of Directors and the special report of the Statutory Auditors, the Shareholders' Meeting, deliberating in accordance with the quorum and majority requirements for Extraordinary Shareholders' Meetings and in accordance with articles L. 22-10-62 et seq. of the French Commercial Code:

- authorises the Board of Directors to reduce the share capital by cancelling, on one or more occasions, all or part of the treasury shares held by the Company or acquired by it pursuant to the share repurchase programmes authorised by the Shareholders' Meeting, in particular in accordance with the 12th resolution above, subject to the limit of 10% of the share capital per 24-month period, it being specified that the 10% limit applies to the Company's share capital as adjusted to take account of transactions affecting the share capital after the date of this Shareholders' Meeting;

- decides that the excess amount of the purchase price of the shares cancelled over their par value shall be allocated to the "Share premiums" account or to any available reserve account, including the legal reserve, subject to the limit of 10% of the capital reduction carried out; and
- grants the Board of Directors full powers, with the option for it to delegate these powers in turn within the limits set by the bylaws and by law, to cancel, on its decision alone, the shares thus acquired, to reduce the share capital accordingly, to allocate the excess amount as provided for above, as well as to make the corresponding amendments to the bylaws and complete all formalities.

This authorisation will be valid for a period of 26 months from the date of this Shareholders' Meeting. It cancels, as from such date, the authorisation granted by the Shareholders' Meeting of 8 November 2019 in its 12th resolution.

— FIFTEENTH RESOLUTION

Delegation of authority to be granted to the Board of Directors to decide on a share capital increase for a maximum nominal amount of €134 million (approximately 33% of the share capital), through the issue of ordinary shares and/or securities granting access to the Company's share capital, with maintenance of the Preferential Subscription Right

Having reviewed the report of the Board of Directors and the special report of the Statutory Auditors, the Shareholders' Meeting, deliberating in accordance with the quorum and majority requirements for Extraordinary Shareholders' Meetings, and in accordance with, notably, the provisions of articles L. 225-129-2, L. 225-132, L. 225-133, L. 225-134 and L. 228-91 to L. 228-93 of the French Commercial Code:

- delegates authority to the Board of Directors, with the option for it to delegate these powers in turn under the conditions provided for by law, to decide on a capital increase, on one or more occasions, on the French, foreign or international market, in the proportion and at the times it considers appropriate, either in euros, or in any other currency or monetary unit drawn up in reference to several currencies, with maintenance of the shareholders' Preferential Subscription Right, by issuing (i) ordinary shares of the Company and/or (ii) securities issued against payment or free of charge, governed by articles L. 228-91 *et seq.* of the French Commercial Code, granting access immediately or in the future to the Company's share capital, it being specified that shares and other securities can be subscribed either in cash, or by offsetting receivables;
- decides to set as follows the limits of the amounts of share issues authorised in the event of use of this delegation of authority by the Board of Directors:
 - the Overall Limit of the capital increases likely to be realised by virtue of this delegation of authority is set at €134 million, it being specified that (i) to this limit will be added, where applicable, the nominal amount of any extra shares to be issued, in the event of further adjustments, in order to preserve, in accordance with the law and regulations and, where applicable, contractual stipulations providing for other adjustments, the rights of holders of securities granting access to the capital, as well as of recipients of stock options (both purchase and subscription plans) or bonus shares, and that (ii) this limit forms the maximum overall nominal limit for capital increases likely to be carried out by virtue of this delegation and those conferred by virtue of the 16th, 17th, 18th, 19th, 20th, 21st, 24th and 25th resolutions below, and that the total nominal amount of the capital increases carried out under these resolutions will be deducted from this Overall Limit,
 - the maximum nominal amount of securities representing debts granting access to the Company's share capital shall not exceed the overall nominal amount of €12 billion or the exchange value of this amount, it being specified that the nominal amount of the debt securities that will be issued by virtue of the 16th resolution of this Shareholders' Meeting will be deducted from this amount. This limit is unrelated to and separate from the amount of the securities representing debts granting the right to the allocation of debt securities, as well as from the amount of the debt securities whose issue would be independently determined or authorised by the Board of Directors in accordance with article L. 228-40 of the French Commercial Code;
- in the event of use of this delegation of authority by the Board of Directors:
 - decides that the share issue(s) will preferably be reserved for shareholders who can subscribe with an irreducible right in proportion to the number of shares that they hold at that time, and records that the Board of Directors can institute a subscription with a reducible right,
 - decides that, if the subscriptions with an irreducible right and, where applicable, with a reducible right, do not absorb the entirety of an issue of shares or securities as set out above, the Board of Directors may use the different options provided for by law (or some of them only), in the order that it will determine, including offering the public all or part of the shares or the securities not subscribed, on the French and/or foreign and/or international market,
 - decides that the issues of Company share warrants may be carried out through the subscription offer under the aforementioned conditions, but also by free allocation to the owners of existing shares,
 - decides that in the event of a free allocation of Company share warrants, the Board of Directors will have the option to decide that the fractional allocation rights will not be tradeable and that the corresponding securities will be sold,
 - acknowledges the fact that this delegation of authority automatically entails the waiving by shareholders, in favour of the holders of securities issued granting access to the Company's share capital, of their Preferential Subscription Right to the shares to which the securities will grant entitlement;
- decides that the Board of Directors shall have full powers, with the option for it to delegate these powers in turn under the conditions provided for by law, to implement this delegation of authority, including to set the share issue, subscription and payment conditions, record the completion of the resulting capital increases and amend the bylaws accordingly, and notably to:
 - determine, if required, the terms for exercising the rights attached to the shares or securities granting access to the capital, to determine the terms for exercising the rights, where applicable, particularly to conversion, exchange and redemption, including by delivering the Company's assets such as securities already issued by the Company,
 - decide, in the event of the issue of debt securities, on whether they are to be subordinated or unsubordinated (and, where applicable, on their subordination ranking, in accordance with the provisions of article L. 228-97 of the French Commercial Code), to set their interest rate (notably fixed or variable rate or zero or indexed coupon), their duration (specified or unspecified) and the other terms of issue (including the granting of guarantees or sureties) and depreciation (including redemption through the delivery of Company assets), decide on the securities that may be bought back on the stock exchange or the subject of a takeover bid or public exchange offer by the Company; to set the conditions under which these securities will grant access to the Company's share capital; to amend, during the life of the securities under consideration, the terms set out above, in compliance with the applicable formalities,
 - on its own initiative, offset the costs of the capital increases against the amount of the related share premiums and deduct from this amount the sums required to raise the legal reserve to one-tenth of the new share capital after each capital increase,

- set and carry out all adjustments required to take into account the impact of the transactions on the Company's share capital, particularly in the event of the amendment of the nominal value of the share, capital increase through the capitalisation of reserves, free allocation of shares, stock split or reverse stock split, distribution of reserves or of any other assets, depreciation of the share capital, or any other transaction concerning shareholders' equity, and set the terms under which, where applicable, the preservation of the rights of holders of securities or rights granting access to the capital will be assured, and
- generally, enter into any agreement, in particular, to successfully complete the proposed issues of shares or securities, take all measures and decisions and carry out all formalities appropriate for the issue, listing and financial servicing of the shares issued pursuant to this delegation of authority and the exercise of the rights attached thereto, or all formalities resulting from the capital increases carried out;
- decides that the Board of Directors may not take the decision to use this delegation of authority as from the date at which a third party files a takeover bid for the shares of the Company unless it obtains prior authorisation from the Shareholders' Meeting; this restriction shall remain in effect until the end of the offer period;
- sets the period of validity of this delegation of authority at 26 months as from the date of this Shareholders' Meeting and notes that as from such date, this delegation cancels the delegation of authority granted by the Shareholders' Meeting of 8 November 2019 in its 13th resolution.

— SIXTEENTH RESOLUTION

Delegation of authority to be granted to the Board of Directors to decide on a share capital increase for a maximum nominal amount of €41 million (approximately 10% of the share capital), through the issue of ordinary shares and/or securities granting access to the Company's share capital, with cancellation of the Preferential Subscription Right, as part of an offer to the public other than those referred to in 1° of Article L. 411-2 of the French Monetary and Financial Code

Having reviewed the report of the Board of Directors and the special report of the Statutory Auditors, the Shareholders' Meeting, deliberating in accordance with the quorum and majority requirements for Extraordinary Shareholders' Meetings, and in accordance with the provisions of articles L. 225-127, L. 225-128, L. 225-129, L. 225-129-2, L. 22-10-51, L. 225-135, L. 225-136, L. 22-10-52, L. 228-92 and L. 228-93 of the French Commercial Code:

- delegates authority to the Board of Directors, with the option for it to delegate these powers in turn under the conditions provided for by law, to decide on a capital increase, on one or more occasions, on the French and/or foreign and/or international market, in the proportion and at the times it considers appropriate, by way of an offer to the public, either in euros, or in any other currency or monetary unit drawn up in reference to several currencies, by the issue, with cancellation of the shareholders' Preferential Subscription Right, (i) of ordinary shares and/or (ii) securities against payment or free of charge, governed by articles L. 225-149 *et seq.* and L. 228-91 *et seq.* of the French Commercial Code, granting access to the Company's capital (whether new or existing Company shares), it being specified that the subscription of shares and other securities may be carried out either in cash, or by offsetting receivables;
- decides to set as follows the limits of the amounts of issues authorised in the event of use of this delegation of authority by the Board of Directors:
 - the maximum nominal amount of the capital increases likely to be realised by virtue of this delegation of authority is set at €41 million, with this amount being deducted from the Overall Limit of €134 million set in the aforementioned 15th resolution, it being specified (i) that to this limit of €41 million will be added, where applicable, the nominal amount of any shares that may be issued, in the event of adjustments made to preserve, in accordance with law and regulations and, where applicable, contractual stipulations providing for other adjustments, the rights of holders of securities granting access to the capital as well as of recipients of stock options (both purchase and subscription plans) or bonus shares, and (ii) that this limit of €41 million is common to the 17th, 18th, 19th, 20th, 24th and 25th resolutions hereafter and that the total nominal amount of the capital increases carried out under these resolutions will be deducted from this limit,
 - the maximum nominal amount of securities representing debts granting access to the Company's share capital may not exceed the limit of €4 billion or the exchange value of this amount, it being specified that this amount will be deducted from the maximum overall nominal amount of €12 billion set for securities representing debt securities, by virtue of the aforementioned 15th resolution. This limit of €4 billion is unrelated to and separate from the amount of the securities representing debts granting the right to the allocation of debt securities, and from the amount of the debt securities, whose issue would be independently decided or authorised by the Board of Directors in accordance with article L. 228-40 of the French Commercial Code;
- decides to cancel the shareholders' Preferential Subscription Right to the securities that are the subject of this resolution, however, by granting the Board of Directors, in accordance with article L. 22-10-51 of the French Commercial Code, the option to confer on shareholders, for a period and according to the terms that it will set in compliance with the applicable legal and regulatory provisions and for all or part of the issue made, a priority subscription period that does not create marketable rights and which must be exercised in proportion to the number of shares held by each shareholder and which may potentially be supplemented by a subscription with a reducible right;
- acknowledges, by virtue of this delegation of authority, that the shareholders automatically waive their Preferential Subscription Right to the shares to which the securities will grant entitlement, in favour of the holders of securities issued granting access to the Company's share capital;
- decides that, pursuant to article L. 22-10-52 of the French Commercial Code:
 - the issue price of the shares issued directly will be at least equal to the minimum amount provided for by the laws and regulations in force at the time at which this delegation of authority is used,
 - the issue price of the securities granting access to the capital will be such that the sum immediately received by the Company, increased, where applicable, by that likely to be received subsequently by the Company, is, for each share issued as a consequence of the issue of these securities, at least equal to the minimum subscription price set out in the previous paragraph,
- decides that if the subscriptions have not absorbed the entire issue of shares or securities, the Board of Directors may use the different options provided for by law (or some of them only), in the order that it will determine, including offering the public all or part of the shares or the securities not subscribed, on the French and/or foreign and/or international market;

- decides that the Board of Directors shall have full powers, with the option for it to delegate these powers in turn within the limits set by law, to implement this delegation of authority, including to set the issue, subscription and payment conditions, record the completion of the resulting capital increases and amend the bylaws accordingly, and notably to:
- determine, if required, the characteristics and terms for exercising the rights attached to the shares or securities granting access to the capital, to determine the terms for exercising the rights, where applicable, particularly to conversion, exchange and redemption, including by delivering Company assets such as securities already issued by the Company,
- decide, in the event of the issue of debt securities, on whether they are to be subordinated or unsubordinated (and, where applicable, on their subordination ranking, in accordance with the provisions of article L. 228-97 of the French Commercial Code), to set their interest rate (notably fixed or variable rate or zero or indexed coupon), their duration (specified or unspecified) and the other characteristics and terms of issue (including the granting of guarantees or sureties) – and depreciation – (including redemption through the delivery of Company assets); to decide on the securities that may be bought back on the stock exchange or the subject of a takeover bid or public exchange offer by the Company, to set the conditions under which these securities will grant access to the Company's capital, to amend, during the life of the securities under consideration, the terms set out above, in compliance with the applicable formalities,
- on its own initiative, offset the costs of the capital increases against the amount of the related share premiums and deduct from this amount the sums required to raise the legal reserve to one-tenth of the new share capital resulting from such capital increases,
- set and carry out all adjustments required to take into account the impact of the transactions on the Company's share capital, particularly in the event of the amendment of the nominal amount of the share, capital increase through the capitalisation of reserves, free allocation of shares, stock split or reverse stock split, distribution of reserves or any other assets, depreciation of the capital, or any other transaction concerning shareholders' equity, and set the terms under which, where applicable, the preservation of the rights of holders of securities or rights granting access to the capital will be assured, and
- generally, enter into any agreement, in particular, to successfully complete the proposed issues, take all measures and decisions and carry out all formalities appropriate for the issue, listing and financial servicing of the shares or securities issued pursuant to this delegation of authority and the exercise of the rights attached thereto, or all formalities resulting from the capital increases carried out;
- decides that the Board of Directors may not take the decision to use this delegation of authority as from the date at which a third party files a takeover bid for the shares of the Company unless it obtains prior authorisation from the Shareholders' Meeting; this restriction shall remain in effect until the end of the offer period;
- sets the period of validity of this delegation of authority at 26 months as from the date of this Shareholders' Meeting and notes that as from such date, this delegation cancels the delegation of authority granted by the Shareholders' Meeting of 8 November 2019 in its 14th resolution.

— TWENTY-SECOND RESOLUTION

Authorisation to be granted to the Board of Directors to allocate performance-based shares, either existing or to be issued, free of charge, to employees and Executive Directors of the Company and Group companies

Having reviewed the report of the Board of Directors and the special report of the Statutory Auditors, the Shareholders' Meeting, deliberating in accordance with the quorum and majority requirements for Extraordinary Shareholders Meetings and in accordance with the provisions of articles L. 225-197-1 *et seq.* and articles L. 22-10-59 and L. 22-10-60 of the French Commercial Code:

 - in the event of a free allocation of shares or securities granting access to the share capital, to set the number of shares or securities granting access to the capital to be issued, the number to be granted to each beneficiary, and decide on the dates, time periods, terms and conditions of allocation of such shares or securities granting access to the share capital within the limits provided for by applicable law and regulations and, in particular, choose either to substitute, in full or in part, the allocation of such shares or securities granting access to the capital for the discounts on the Reference Price provided for above, or to deduct the equivalent value of these shares from the total amount of the special contribution, or to use a combination of these two possibilities,
 - to record the completion of the capital increases for the amount corresponding to the shares subscribed (after any reduction in the event of over-subscription),

Delegation of authority to be granted to the Board of Directors to decide to increase the share capital subject to the limit of 2% through the issue of shares or securities granting access to the share capital, reserved for certain categories of beneficiaries with cancellation of Preferential Subscription Right in favour of such beneficiaries

Having reviewed the Board of Directors' report and the Statutory Auditors' report and in accordance with articles L.225-129, L.225-129-2 to L.225-129-6, L.22-10-49 and L.225-138 of the French Commercial Code, the Shareholders' Meeting, deliberating in accordance with the quorum and majority requirements for Extraordinary Shareholders' Meetings:

- delegates its authority to the Board of Directors to decide to increase the Company's share capital, on one or more occasions, in the proportions and at the times it considers appropriate, through the issue of shares or securities granting access to the Company's share capital reserved for the categories of beneficiaries defined below;
- resolves to set the maximum nominal amount of capital increases that may be carried out in this respect at 2% of the Company's share capital at the close of this Shareholders' Meeting, it being specified that:
 - this limit is shared with that of the 24th resolution of this Shareholders' Meeting,
 - to this limit shall be added, where appropriate, the nominal amount of any shares that may be issued, in the event of adjustments made to preserve, in accordance with the law and regulations and, where applicable, contractual provisions providing for other adjustments, the rights of holders of securities granting access to the capital, as well as those of recipients of stock options (both purchase and subscription plans) or free allocations of shares,
 - the nominal amount of capital increases made pursuant to this authorisation will be deducted from the maximum amount of capital increases with cancellation of the Preferential Subscription Right set by the 16th resolution of this Shareholders' Meeting, as well as from the Overall Limit for capital increases set by the 15th resolution of the same Shareholders' Meeting;
- acknowledges that this delegation of authority automatically entails shareholders waiving their Preferential Subscription Right to the shares to which such securities will give right, either immediately or in the future, in favour of the holders of securities issued under this resolution and granting access to the Company's share capital;
- resolves to cancel shareholders' Preferential Subscription Right to the shares that may be issued pursuant to this resolution, and to reserve the right to subscribe to the category of beneficiaries satisfying the following criteria:
 - (a) employees and Executive Directors of non-French companies of Pernod Ricard that are related to the Company under article L.225-180 of the French Commercial Code and article L.3344-1 of the French Employment Code, in order to enable them to subscribe to the Company's share capital under conditions that are economically equivalent to those that may be offered to members of one or more company savings plans under a capital increase pursuant to the 24th resolution of this Shareholders' Meeting, and/or
 - (b) UCITS or other employee shareholding entities, with or without an independent legal personality, under French or foreign law, that are invested in securities of the Company, and whose unitholders or shareholders are persons described in (a) above, and/or

In the event of an offer made in favour of the beneficiaries mentioned in paragraph (a) above residing in the United Kingdom, in the context of a "share incentive plan", the Board of Directors could also decide that the subscription price of the new shares or securities granting access to the Company's share capital to be issued under this plan may be equal to the lower share price between (i) the listed price of the shares on Euronext Paris at the opening of the reference period used to determine the subscription price of this plan and (ii) the share price recorded following the close of such period, within a given timeframe determined in accordance with local regulations. The price shall be set with no discount on the retained share price:
