Alliance for Water Stewardship Commitment

As part of PRI's Environmental Policy & Water Policy Commitment to the principles of Water, we pledge to champion Responsible Water Stewardship at Nasik, Rocky & Behror Sites. We are dedicated to supporting the pursuit of the following outcomes:

1. Good Water Governance
2. Sustainable Water Balance
3. Good water quality
4. Healthy status of Important Water Related Areas, and
5. Access to Safe Water, sanitation, and hygiene (WASH) for all

We commit Sites will:

1. Implement and disclose progress of water stewardship to achieve improvement in these water stewardship outcomes.
2. Attempt to engage stakeholders throughout its efforts in an open & transparent manner and comply with all legal and regulatory water related requirements.
3. Implement water stewardship programs that are aligned to and in support of existing catchment sustainability plans.

We will support the sites effort to continually improve and adapt its Water Stewardship action & plans and ensure that there is sufficient organizational capacity to successfully implement the Alliance for Water Stewardship standard.
